KHPA Staff Participants

Dr. Marcia Nielsen
Dr. Barb Langner
Debbie Huske

Introductions and Review of Handouts

- Dr. Nielsen welcomed participants and introductions were made. The handout "Medical Home Model Draft Preamble" was reviewed.

Discussion of the Draft Preamble and Purpose

- Participants discussed the content of the draft preamble as it relates to the "Joint Principles." Participants agreed that the preamble should build off the Joint Principles while at the same time specify the uniqueness of Kansas' medical homes. Changes were recommended to include a broader scope of providers in the preamble statement. Ideas were also exchanged on how health information technology (HIT) can be used as a tool to promote the medical home and better coordination of care.

Adjournment

- Dr. Nielsen thanked participants for their attendance and advised more work would be done on the preamble. The all-Medical Home Stakeholder group will meet March 11 from 2:00 -4:00 p.m. in Conference Room 9E and 9F located in the Landon State Office Building.
